## TECHNICAL PROJECTS

**/white-label-forum** - [Github](#) | [Demo](#)

A decentralized, private forum for communities to capture more personal conversations.

- Built and scaled clean and professional custom front-end using React and CSS, with UI in mind at every step
- Utilized Rails to build relational database to best enhance user-experience and interactivity between users

**Movie Reviews** - [Github](#) | [Demo](#)

A public movie review website where users can interact with a large library of movies.

- Built front-end using React and CSS, with use of several components
- Single-Page Application, use of React Router to provide users many seamless features

## EXPERIENCE

**EDUCATION FIRST EXPLORE AMERICA** Cambridge, MA Travel Consultant / Sales Associate 10/2019 - 07/2021 •

Consulted one-on-one across a year-long cycle with educators interested in showing their students the world. Built customized tours from a diverse portfolio of options.

- Managed portfolio of 20+ groups, over 200 middle-school aged students, responsible for revenue of \$400,000 across one-year period, amidst global pandemic.

**BEST BUY, PACIFIC KITCHEN & HOME** Watertown, MA Sales Consultant 03/2019 - 07/2019

- Provided retail customer service expertise and sales on hundreds of major appliance offerings, services, and promotions.
- Responsible for \$150,000 plus in revenue across a four-month period.

**EVANS CONSOLES** Milford, PA - Greater New York City Sales Associate / Project Manager 07/2017 - 07/2018 •

Provided sales and project management support for mission-critical control room projects.

**EDUCATION ADVISORY BOARD** Washington, DC Account Management Associate 07/2016 - 06/2017

- Acquired and strengthened relationships with over 200 client educational institutions by managing multi-level details across EAB teams to deliver best-practice campaigns for student success.
- Consistently met and exceeded quotas and goals, such as high renewal rates and event recruitment.

**MAJOR CLARITY** Milford, PA Co-Founder / Advisor, Head of Marketing & Growth 12/2013 - 12/2015

- Co-founded and built an online platform that delivers immersive 'real world' experiences for students to explore specific disciplines for their higher-education and career paths prior to investing valuable time and money into a firm direction.

## EDUCATION

**Flatiron School** Remote Full Stack Web Development, Ruby on Rails and JavaScript program 01/2022 - 04/2022

**Roger Williams University** Bristol, RI Bachelor of Science | Major: Business Marketing | Minor: Psychology | GPA: 3.2

### **LEADERSHIP EXPERIENCE**

#### **RWU INTER-CLASS COUNCIL (ICC)** Bristol, RI Chairman, Inter-Class Council (ICC) 2015 - 2016 School Year

- Elected chairman to guide campus-wide programming by the 6-member ICC Executive Board and the Council's 24 class officers to foster school spirit while upholding and creating new traditions that will provide memorable college experiences for RWU students.
- Managed budget of \$200,000.

#### **RWU ADMINISTRATION** Bristol, RI Mission and Purposes Accreditation Committee 09/2014 - 12/2015

- Selected by the university to serve as the student representative on its committee to assure compliance with NEASC accreditation. Actively obtained and voiced students' campus-wide opinions of RWU.

Bristol, RI

#### President's Council on Inclusive Excellence 03/2013 - 05/2014

- Selected by Associate Dean of Students to represent students at an executive-level council to focus on greater diversity and inclusion on campus.
